

\*Note that this policy covers both Service Ceilings Limited t/a SCL Interiors & SCL Interiors (London) Limited\*

Service Ceilings Limited (the Organisation) are committed to reducing the impact of its activities on the environment by encouraging the use sustainable resource.  
The Organisation has also implemented an environmental management system to continuously improve its environmental performance.

Our integrated management system is designed to ensure that we maintain a proactive approach to the protection of the environment and prevention of pollution, including the control and monitoring of environmental releases to air, land and water.

We have established this environmental policy to be consistent with the purpose and context of our organisation as it provides a framework for the setting and review of environmental objectives in addition to our commitment towards the following:

- Maintain certification to ISO 14001: 2015 environmental management system standards.
- To ensure compliance with all applicable environmental legislation and regulations particularly associated with the Construction Industry.
- Promote our environmental policy commitments to work with Clients, manufacturers, suppliers and subcontractors to improve the company performance using a lifecycle perspective and make our environmental information available to interested parties.
- Proactively consider risks and opportunities to minimise adverse impacts and maximise beneficial impacts.
- Ensure continuing professional development for all staff, including awareness and support for environmental issues.
- To reduce emissions and prevent pollution.
- Minimise the generation of waste by evaluating operations and ensuring they are efficient and effective as possible.
- To minimise noise and other nuisances
- Continually improve our environmental management system and to enhance environmental performance
- To assist in the investigation of environmental incidents in which it is involved on operational sites

**Responsibilities**

It is the responsibility of Directors, staff and sub-contractors of SCL Interiors Limited to assist with the achievement of our policy objectives and provide feedback to ensure the continuing effectiveness of our integrated management system.

**Monitoring**

This policy will be reviewed annually in accordance with any legislation, but can be reviewed periodically depending on any immediate environmental issues/breaches.
